Judge

Work History

2024-12 - Current	General Member <i>Premier University Computer Club</i> As a general member of the PUCC, you actively contributed to fostering a vibrant community of tech enthusiasts. This role involved supporting club initiatives, events, and workshops aimed at enhancing technical skills and promoting innovation among peers.
2024-11 - Current	General Member <i>Premier University Robotics Club</i> As a General Member of the PURC, contributed to the club's mission of advancing robotics knowledge and fostering innovation. I participated in technical projects, collaborative initiatives, and competitions to promote robotics learning and hands-on experience.
2016-01 - 2019-12	Volunteer <i>Red Crescent Youth</i> As a Red Crescent Youth Volunteer, I support disaster response, community resilience, and health initiatives, fostering teamwork and compassion. I have also completed first aid training and participated in the 6th Divisional Red Crescent Youth Camp.

Education

2027	Bachelor of Science: Computer Science And Engineering <i>Premier University - Chittagong, Bangladesh</i>
